It is not clear why this order was not given effect to and a fresh sanctio has been sought for. It may be further observed that sanction of Government is unnecessary for the estimate unless the work is a non-budgetted one. As the opening of the pound was sanctioned in August 1915, provision for this item of expenditure could have been made in the budget for 1916-1917 Submitted with draft.

2. The proposals in this file are —

(1) Sanction to open a pound at Kolagani

(2) Sanction to Construction of a pound at a Cost of Rs 195/-.

In connection with proposal (1) I had a distinct recollection that in connection with some Cattle pound Case recently the Second Member made an observation that pounds are being asked for in - discriminately & that in all places where they were not required or

In connection with three pounds the 2nd Member has ordered that sanction to fresh pounds shd. be discriminately granted - It is a recent file both regarding misappropriation by some people & also in the Shevaroy Dt. I think in Dr. Easterby's time. Omitted to mention the pound for Jeeru & disclaimed his liability to inspect it. Please trace the file & put up 13/2-17
